### Sample Postcard/Letter:

Dear Senator (Representative),

At this time of serious national challenges, Americans should unite to serve the good of all, born and unborn. The Freedom of Choice Act (FOCA), the most radical and divisive pro-abortion bill ever introduced in Congress, would create a “fundamental right” to abortion that government could not limit but would have to support. FOCA would overturn many existing widely-supported policies, including laws protecting parental involvement and conscience rights and those preventing partial-birth abortion and taxpayer funding of abortion.

*Please oppose FOCA or any similar measure, and retain laws against federal funding and promotion of abortion. As your constituent, I would appreciate a written response telling me how you would vote on these matters.*
