The "One Big Beautiful Bill Act" doesn't leave the the children of New Mexico in looking so pretty

ALBUQUERQUE, N.M. — Tomorrow, New Mexico leaders will discuss the potential negative impacts "One Big Beautiful Bill Act" would have on the wellbeing of children and families.

If the U.S. Senate votes to pass the "One Big Beautiful Bill Act" as it was recently passed by the U.S. House of Representatives, the impact on New Mexico children and their families will be devastating. Cuts to programs like Supplemental Nutrition Assistance Program (SNAP) and Medicare have the potential to set back New Mexico's progress to reduce poverty.
